Welcome to your ultimate home or luxurious weekend getaway! Less than 50 miles from Washington, DC! This stunning estate on a pristine golf course offers unparalleled elegance and relaxation. With breathtaking views, sophisticated interiors, and top- notch amenities, this home is perfect for both entertainment and serene retreats. Imagine unwinding in your private oasis, surrounded by lush greens, or hosting memorable gatherings with friends and family. This is not just a home; it's a lifestyle upgrade waiting for you! This estate, spanning over 6,000 square feet, situated on the desirable Donald Ross golf course is more than just a home – it's an experience.

As you approach through the iron gates and long circular paver driveway, you will be amazed by the sight of this magnificent solid Fieldstone masterpiece.

Each handcrafted stone tells a tale of incredible workmanship, and the solid Mahogany front doors harmonize perfectly with the matching garage doors.

Step onto hand-hewn solid cherry hardwood floors, ingeniously heated, providing both warmth and luxury underfoot. Every corner exudes craftsmanship, with Petersheim cabinetry and intricate moldings setting the tone.

The living room, embellished with custom built-ins and solid wood doors, serves as the perfect gathering place. Three gas fireplaces throughout this beauty create intimate spaces,

each with its own character and charm.

At the heart of this incredible home lies the ultimate gourmet kitchen, second to none... a cook's dream, where custom cabinetry some with leaded glass, a new maintenance-free soapstone island paired with granite countertops, multiple refrigeration systems, and top-tier appliances create a chef's experience beyond compare.

Take the stairs or elevator to the upper level, where a private in-law suite awaits with its own mini-kitchen and living room. The upper level also houses a beautiful study and two guest suites that overlook the perfectly manicured grounds of the golf course.

The primary suite on the main level is a sanctuary in itself. Every element here is designed for rest, relaxation, and opulence. But that's not all.

Step into the office/library. This clean air filtered, climate-controlled workspace hosts wall-to-wall solid cherry built-ins and a secret temperature-controlled wine room that stands ready for your vintage collection. And yes, for the connoisseur, a humidor/gun closet lies discreetly tucked away.

Outside, experience alfresco luxury with a superior outdoor kitchen under a mahogany-ceilinged pergola. 2,000 square feet of outdoor entertainment space enables you to gather around the large gas fire pit. Among other high-end appointments is an oversized Viking Grill. The outdoor realm resonates with the flicker of one switch-all gas lighting. Revel in the beauty of natural fieldstone and exotic bluestone slate flooring from Brazil.

Every facet of luxury living has been meticulously curated in this residence. With the foresight of two 1,000-gallon propane tanks, you are guaranteed consistent, uninterrupted warmth on the chilliest of nights. And the luxury doesn't end there; imagine stepping into any bathroom or kitchen and

instantly being greeted with hot water, a testament to the home's commitment to unparalleled convenience comfort and grandeur in every corner. And for your vehicles, the attached heated, oversized three-car garage, with new mahogany doors and durable maintenance-free interlocking floor tiles ensures your chariots too are enveloped in luxury.

A 50-year slate-like rubber shingle crowns this home and symbolizes durability and sophistication. It's the detail, the artistry, and the luxury that sets this home apart. Adjacent lot available for additional price.
